FDC Graphic Films Donations Help Northern Indiana Nonprofits in Need

SOUTH BEND, Ind. (January 7, 2020) — FDC Graphic Films, Inc. donated 651 pounds of non-perishable food items, along with hams and turkeys, to the Food Bank of Northern Indiana.

Employees collected at the South Bend location over a period of two weeks during the company's annual holiday food drive.

"It's an easy decision for us to provide support because we believe it's important that we help the Food Bank reach its goals to provide for community needs," said Chris Stoler, president of FDC Graphic Films, Inc. "We hope that in some small way, we have done that."

In addition, FDC donated \$3,000 to the Food Bank, on behalf of its employees.

"We are so humbled by the incredible generosity of the FDC team again this year," said Marijo Martinec, executive director and CEO of the Food Bank of Northern Indiana. "Hunger is often silent. This year's donation will provide up to 1,233 meals for those in need. We are grateful for FDC's commitment to our mission and our partnership together!"

FDC also donated \$2,000 to the Salvation Army in December.

"This donation allows us to support their programs in the community where we live and work every day. We are so humbled by their work and we're grateful to help," said Stoler.

For the second consecutive year, the FDC Work-Life Team spearheaded the company's contributions during the holiday season.
