1/31/2020

Dear Valued Customer,

This letter is in reference to your request for a California Proposition 65 compliance statement on the following product(s):

**4075,4050RLA,4000,AT60N,4775RLA,4750RLA,AT75,4078,4761RLA,AT65 VINYL EFX,
LUMAPRINT**

To our knowledge, the chemicals listed in California Proposition 65 are not used as raw materials in our products, nor are they added during the production process. We have no reason to expect restricted substances to be formed during manufacturing, storage or use of the above mentioned products. This information is based on reliable supplier information and good manufacturing processes.

If you have any questions or require any additional information, please feel free to contact us at orders@rtape.com.

Kind regards,

Cristina Najemian
Product Development Manager
