

SHEETING PROGRAM

FDC Graphic Films, Inc. is a leading supplier of adhesive-backed films for the sign and graphics industries and is known for a broad selection with hundreds of colors in multiple product lines. FDC provides a wide range of services including sheeting.

The FDC Sheeting Program is an easy way to order Lumina® self-adhesive films in plotter-ready sizes. FDC also offers the choice of having premask applied to the sheets for easy convenience of application.

- 12" x 12" standard
- 2-3 days order-to-ship (less than 10,000 sheets)
- no minimums
