

FDC Graphic Films, Inc. is a leading supplier of adhesive-backed films for the sign and graphics industries and is known for a broad selection with hundreds of colors in multiple product lines. FDC provides a wide range of services including striping.

The FDC Striping Program is an easy way to order Lumina® precision-cut stripes. Distributors can purchase individual striping rolls as needed or stock up by participating in our full web utilization program. Through the program, buyers receive a discount when consuming an entire jumbo roll (48" or 60" by 50 yards).

- stripe sizes from .25" to 12"
- 5-day order-to-ship (based on materials & complexity)
- custom sizes & materials including multi-stripes
