

COUNT ON US

To Whom It May Concern:

Product: Lumina 4301 Series

In the RoHS 2015 regulation, concerns the following items heavy metals (lead, mercury, cadmium, hexavalent chromium), PBB's (polybrominated biphenyls), PBDE's (polybrominated diphenylethers), Bis(2-ethylhexyl), Phthalate (DEHP), Butylbenzyl Phthalate (BBP), Dibutyl Phthalate (DBP), and Diisobutyl Phthalate (DIBP).

Therefore, FDC Graphic Films, Inc. informs that the article mentioned above to the best of our knowledge does not contain any of the chemicals listed for RoHS 2015.

However, it is not always possible to preclude low level raw material or film contamination, and this might result in films containing restricted minerals at trace levels. Analysis of such a substance does not necessarily form part of our quality control system. These statements are for your information only, and do not constitute a warranty or product specification.

Neither FDC Graphic Films, Inc. nor the suppliers of the raw material components used to make the Lumina 4301 Matte Removable Series deliberately add any of the substances named on the RoHS 2015 listing to the raw material components or to the finished products.

The information herein is given in good faith, but with no warranty, expressed or implied.
