

Lumina® 9409 Low Tack application tape

Lumina® 9409 Series is a low tack application. This application tape has a low tack and allows you to transfer our printable 9301, 9308, and 9305 series products without difficulty. The product does not come on a liner/ carrier and is therefore faster and easier to use since it is not necessary to remove the carrier before applying it on the printed design.

Film Technology: Polyurethane
 Film Thickness: 3.5 Mil
 Block out: No
