

3521 Series – Lumina Promotional Fluorescent Vinyl Film

Lumina 3521 Series is a promotional grade cast fluorescent vinyl film designed for producing automotive aftermarket windshield graphics and accent stripes, retail window signage, trade show exhibits, point-of-purchase displays, die-cut letters and numbers, and screen-printed decals requiring short-term outdoor durability. This product features a unique colorant system for superior visual appeal and exceptional opacity, providing dynamic graphics accents. The fluorescent pigments used in this film fade with UV exposure and a suggested interior use or limited exterior use. To order punched material, use part number 3571.
